

## OZARK FRUIT GROWERS ASSOCIATION

### A Good Attendance and Much Interest Being Shown by the Growers

The quarterly meeting of the Ozark Fruit Growers Association is being held in Eagles Hall.

Geo. T. Lincoln, president; J. W. Stroud, secretary, and P. A. Rodgers, manager, and other officers stockholders and directors are in attendance.

The meeting was opened by an invocation by Rev. Allen and music by a quartet consisting of Mrs. W. H. Morris, Misses Anna and Bess Morris and Miss Grace Johnson.

This was followed by an address of welcome by ex-Sheriff E. A. O. Dwyer an enthusiastic strawberry grower and a hearty and ringing response by R. M. Hitt, of Koshkonong.

A paper was read by S. B. Keagy, of Diamond, "What Should be the Work of the Ozark Fruit Growers Association?" also a paper by Geo. Hatzfield, of Neosho, "What Would be the Result of Berry Growing Without Co-operation."

Both of the papers were well written and brought out a spirited discussion.

In addition to the music by the Baptist choir Misses Grace Johnson and Estella Brown sang a duet.

The afternoon session was opened by music by Anderson's orchestra and singing by the ladies.

The afternoon session is devoted to the reading of papers on the different phases of fruit culture and the handling of the product and in general discussion.

### Post Office Robbed Of Stamps

Sullivan, Mo., Sept. 11.—The Post Office here was robbed last night and \$54 in stamps taken. The outer door of the safe was opened and the inner door charged for blowing, but, being frightened away, presumably, the robbers did not blow it. Evidently the robbers were the same ones who entered the store of the Sullivan Hardware Company and took two revolvers and some jewelry.

### Night on Bald Mountain

On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest Throat and Lung cure on Earth. Coughs, Colds, Croup, Hemorrhages and Sore Lungs are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1. Trial bottle free. Guaranteed by A. H. Cox & Co.

The Frisco employees' hospital now has about 80 patients and the doctors and surgeons of that institution are kept busy looking after the sick and injured railroad men. Quite a number of Frisco employees, afflicted with typhoid fever, are coming in daily from points in Oklahoma. Unsanitary conditions, bad water and warm, dry weather is causing considerable sickness in that section of the country. The hospital here is well equipped to care for the sick and injured patients.—Springfield Leader.

### TWO KINDS OF HARNESS MY KIND

MATERIAL—When I begin work on a set of harness, the leather must be of highest standard before I start to cut. I select proper thickness of every strap for the different parts, and give each strap a careful test.

WORKMANSHIP—Every strap is thoroughly moistened, vigorously rubbed and slicked before it is stitched, which prevents stretching—loosening of stitches—a possible accident.

OTHER KINDS. There are many of them, but none I can recommend for safety, like my Show Made Harness.

## FORMER ENGINEER LAID TO REST

### Accident Forced W. H. Hilliard to Leave Frisco's Employ

The funeral of William H. Hilliard, formerly a Frisco engineer, who died of dropsy in the employes hospital at 6 o'clock yesterday morning, was held at the family residence, 614 South Market street, at 2:30 o'clock this afternoon, after which the remains were laid to rest in Maple Park cemetery.

About two years ago the decedent lost a leg in a wreck at Red Fork, Okla. He was one of the oldest and most beloved engineers in this section. His son, Joe Hilliard, is in a St. Louis hospital recovering from the loss of a leg, which was the result of a wreck at Tulsa, Ok., two years from the date of his father's misfortune.

Engineer William Hilliard was born in Memphis, Tenn., fifty-one years ago. He came to Missouri when a young man and entered the railroad service of the Frisco at Peirce City as fireman. In those days railroading was dangerous. Mr. Hilliard, after working diligently, was given an engine and for nearly thirty years he was at the throttle.

From Peirce City he went to Monett when the division was moved there. He resided at Monett with his family and ran on the Kansas division for a number of years until his transfer to Springfield, about six years ago. After losing his leg, Mr. Hilliard was appointed fuel agent at Springfield, but was not able to hold the position very long on account of his bad health.

The decedent is survived by a widow and four children. He was a charter member of the Monett Brotherhood of Locomotive Engineers, lodge No. 507, but had transferred his membership to Springfield.

A large delegation of engineers from Monett, Sapulpa and other points on the Frisco attended the funeral services—Springfield Leader.

### A Sprained Ankle

As usually treated a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may, in most cases, be effected in less than one week's time. This liniment is a most remarkable preparation, try it for a sprain or a bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by all druggists.

### Purdy News

From The Guide. Miss Lora Fisher of Monett has been visiting relatives in and around Purdy for the last few days.

### Evening Fete.

Although old Sol still pours out his hot rays by day, evening is ushered in with welcome breezes, and though the intense heat remains with us, yet the caller marks the return of early fall, the time when social life is awakened and wonders what she will do next in order to mark the beginning of her reign. The first social event of the season was "Guests Night" when Mrs. F. Boehm opened up her home to the Woman's Union on Friday evening.

This home was recently refitted and decorated through out and was in splendid condition to be enjoyed by the large crowd in attendance. Mrs. Boehm and her able assistants rendered those who participated on this particular occasion every possible courtesy and spirit of hospitality made each one feel at home.

The program was of much merit and the large number of young ladies in attendance had much to do with the success of the evening and was a drawing card. With music, reading and social conversation the time passed all too soon. After a delightful repast of sherbet, cake and fruit frappe the guests bid good night hoping to be with this hospitable family on other occasions.

## FATALLY WOUNDED

### Fred Anderson is Killed by Accidental Discharge of Gun

Fred Anderson a prominent young farmer of the Globe neighborhood was fatally wounded Monday morning by the accidental discharge of his gun.

Immediately after eating his breakfast between six and seven o'clock he took his gun and started out to shoot squirrels. In climbing over a fence about two hundred yards from the house he fell and the gun was discharged into his stomach.

Mr. Anderson was able to call for help and his wife bearing his cries ran to his assistance. With the help of neighbors he was carried to the house and physicians from Verona and Monett were summoned.

The wound proved to be fatal and he died about 8:30.

Fred Anderson was born August 1, twenty-six years ago. He was the son of H. A. Anderson, a prosperous farmer near Globe. He married Miss Rebecca Houghawout, a daughter of J. V. Houghawout, of Salem, Ore., now visiting here. Besides his wife he leaves a five-year-old son and a baby daughter less than a year old.

The funeral will be held from the residence Tuesday afternoon at 2 o'clock conducted by Rev. Luther Carlin. Interment will be made in the Kings Prairie cemetery.

Mr. J. F. Spilman of Dry Valley was in the city Saturday. He was exhibiting an ear of corn from his farm. It was thirteen inches long and had twenty rows of well-filled, large and well-developed grains on the cob. He has 54 acres of which this ear was a sample. This land has been in cultivation since before Mr. Spilman was born. Last year it was a clover hog pasture. This made a good fertilizer when turned under last spring. Mr. Spilman is proud of his field of corn, but it would have been much better had it got one more good rain at the right time.—Peirce City Leader.

## A COMMON ERROR

### The Same Mistake Is Made by Many Monett People

It's a common error To plaster the aching back, To rub with liniments rheumatic joints.

When the trouble comes from the kidneys.

Doan's Kidney Pills cure all kidney ills.

Here is convincing proof.

T. C. Bunnell of Peirce City, Mo., says: "For nearly two years I was annoyed by attacks of kidney complaint. My back became weak and often pained me severely, so much so at times that I was practically helpless. I tried several remedies but nothing helped me until I began taking Doan's Kidney Pills. I procured them and since using them, my back has not bothered me. I gladly recommend Doan's Kidney Pills to other kidney sufferers."

For sale by all dealers. Price 50c Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### A Rat's Bite Killed Him

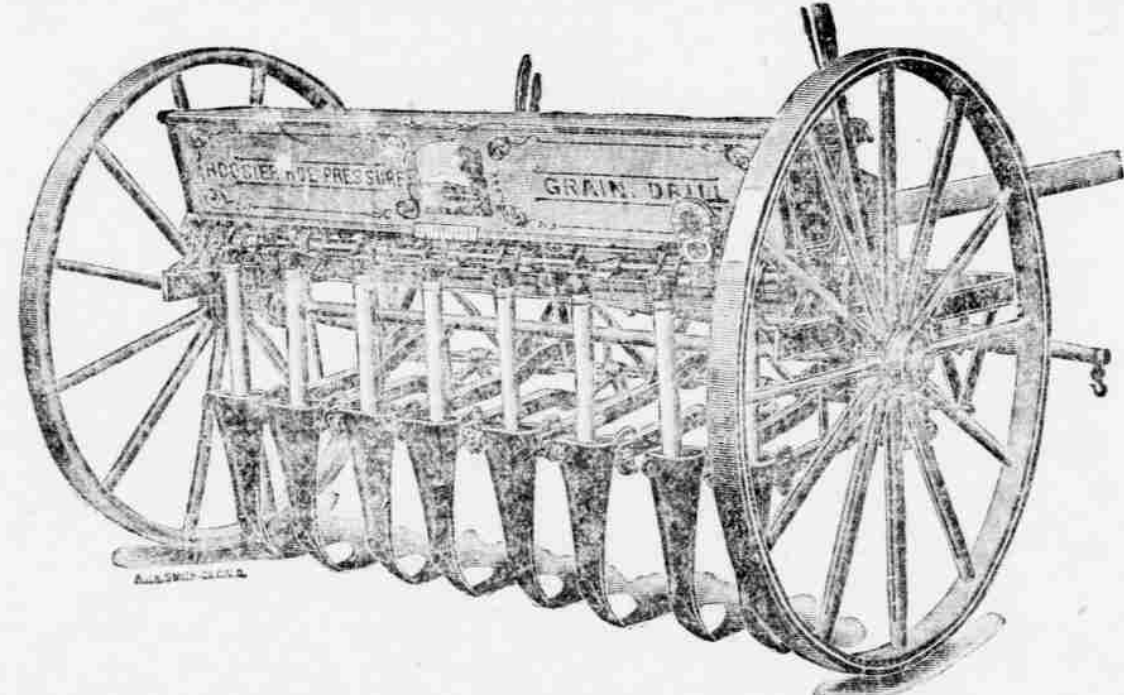

Fort Scott, Kan. Sept. 11.—Barnes Hall, 73 years old, a pioneer of Deerfield, Mo., six miles east of this city, is dead from blood poisoning following a rat bite. Three weeks ago he endeavored to kill a big rat which he caught in a trap. The rodent bit him on the left hand.

A pleasing, good, high grade, truly flavored, amber colored cup of coffee can be had—and without the real Coffee danger, or damage to health—by simply using Dr. Shoop's new substitute, called "Health Coffee." Pure, wholesome, toasted cereals, malt, nuts, etc. make Dr. Shoop's Health Coffee both healthful and satisfying. No 20 to 30 minutes tedious boiling, it's taste will even trick an expert. Test it and see Shaffer Bros.

### Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." For sale by all druggists.
